§ 107.830 Minimum duration/term of financing.

(a) *General rule for Section 301(c) Licensees.* If you are a Section 301(c) Licensee, the duration/term of all your Financings must be for a minimum period of five years. *Exception:* You may finance a Disadvantaged Business for a minimum term of four years.

(b) *General rule for Section 301(d) Licensees.* The duration/term of your Financings may be for a minimum period of four years.

(c) *Restrictions on mandatory redemption of Equity Securities.* If you have acquired Equity Securities, options or warrants on terms that include redemption by the Small Business, you must not require redemption by the Small Business within the first five years of your acquisition except as permitted in § 107.850.

(d) *Special rules for Loans and Debt Securities.* (1) *Term.* The minimum term for Loans and Debt Securities starts with the first disbursement of the Financing.

(2) *Prepayment before five years.* You must permit voluntary prepayment of Loans and Debt Securities by the Small Business at any time during the initial five year term. You must obtain SBA's prior written approval of any restrictions on the ability of the Small Business to prepay other than the imposition of a reasonable prepayment penalty under paragraph (d)(3) of this section.

(3) *Prepayment penalties.* You may charge a reasonable prepayment penalty which must be agreed upon at the time of the Financing. If SBA determines that a prepayment penalty is unreasonable, you must refund the entire penalty to the Small Business. A prepayment penalty equal to 5 percent of the outstanding balance during the first year of any Financing, declining by one percentage point per year through the fifth year, is considered reasonable.
